Shredder Vac/Blower Series 4241 Professional User

Powered by a low emissions engine, the new SH 86 C-E professional shredder vac/blower has increased vacuum power and shredding performance that will blow you away. Fuel efficient and operator-friendly, this shredder vac easily converts into a handheld blower. Equipped with features like a special shredder blade on the fan wheel that reduces yard waste, along with the [STIHL Easy2Start™ system](#), soft grip handles and four-spring anti-vibration system-you have all the necessary comfort elements to ensure a smooth start and help reduce operator fatigue.

Watch a about our new line of STIHL blowers & shredder vacs
