GAP POWER

The Ultimate Toolbox

Product Features

- Powerful 460 MWO, 3700 rpm motor delivers power and speed to make the most demanding cuts with ease
- 5-1/2" 30T carbide tipped metal cutting blade quickly and cleanly cuts a variety of metallic construction materials
- Bright LED Light with 20 second delay after trigger release provides enhanced visibility of material and cut line.
- SIGHT-LINE™ Window provides for a clear view of the material
- High strength steel shoe offers durability and resistance against chip build up
- Optimized rubber overmolded comfort grip delivers optimal balance and control
