Step up to the most powerful blower in the STIHL range with the BR 700. This high output professional blower is highly versatile with the strength to clear piles of wet leaves and grass, plus the fuel efficiency to reduce operating costs. Professionals will love the adaptive design features, including the adjustable telescopic tube and control handle that quickly adjust with the snap of a lever, no tools required. A simplified start up procedure ensures fast, easy starts with less chance of flooding, and the extra wide straps, ergonomic design and optimal power to weight ratio makes it comfortable to use for long periods. The streamlined, rounded design, reduces the chance of getting caught on branches when working in tight quarters. Stop by our dealership today and step up to STIHL power.

Important Information

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

Note: STIHL recommends use of fuel with no more than 10% Ethanol content. Using fuel with greater than 10% Ethanol content may cause damage to your equipment and may void your STIHL warranty. [Learn More...](#)

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.
