700 Hand-Held Power Drive

700 Power Drive – The RIDGID® 700 Power Drive has proven to be the industry workhorse in hand-held power drives for decades and has been the most powerful and durable on the market. Constructed with a rugged cast aluminum housing, the 700 PD is designed for heavy-duty applications and everyday use. It is ideal for mechanical, electrical and plumbing contractors as it can cut both right and left-hand threads in seconds, saving time, effort, and money. The 700 PD drives RIDGID 12-R Die Heads for 1/8" - 2" pipe capacity, threads bolts 1/4" - 1", and also drives 141 & 161 Geared Threaders (for increased pipe capacity of 2 1/2" - 6"). The versatility of the 700 PD is further expanded by being able to power RIDGID 258 and 258XL Power Pipe Cutters.

	
	RIDGID 700 PD
Pipe Capacity	1/8" - 2"
w/Geared Threaders	2 1/2" - 6" (141/161 Geared Threaders)
