Measuring Wheel Roll Along

(MEAWHE)

When a tough, all-purpose measuring wheel is needed, nothing fills the order like the Rolatape 400 Series. Its 4-foot circumference handles the toughest measuring needs for heavy construction, large commercial operations, utility companies, land surveying and other critical measuring applications. When measuring demands are tough, the 400 Series gets the job done.

## Features / Benefits

**All steel construction Heavy**  
duty strength and durability

**5-digit counter**  
Records up to 100,000 feet or meters with convenient rest knob (Dual counters available)

**4-foot circumference wheel**  
Easier to measure accurately on rough terrain

**Wheel stand**  
Keeps wheel upright when not in use

**Wheel brake**  
Transport to second site without losing existing measurement
