GAP POWER

The Ultimate Toolbox

Dewalt Cordless Nailer

(NAIIFI16)

Product Features

- Engine design allows the tool to work as fast as the end user with consistent nail penetration into both soft and hard joints
- Sequential operating mode allows for precision placement and the bump operating mode provides the user with production speed.
- Easy access to the nosepiece for the removal of jammed nails without the use of screwdrivers or tool wrenches
- Contact Trip Lock-Off allows trigger to be disabled when not in use
- Integrated LED lights for long life and durability
- Top cap is impact resistant and easy to remove for troubleshooting
- Provides increased portability and versatility on the jobsite
-
- 20-degree angled magazine (up to 120 nail capacity) & will accept DEWALT and Paslode 20-degree nails
- Increased visibility and durability along with protection for work-surface from the contact-trip
- 6 position dial allows the user to move between applications without having to re-acquire exact depth setting
- Rear-load magazine offers loading styles which provide versatility to accommodate the end user's preference
