NEW!

Reduce the Time and Pain of Flooring Removal!

BENEFITS:

- Greatly reduces the pain and energy of manual hardwood or laminate tear-ups.
- Significantly reduces the time of tear-up.
- Works on nailed or glued down flooring.
- Makes your bid more competitive and/or increases profits.
- Requires 2hp air compressor.
- Exerts 350 pounds of force.
- Also works for shingle tear-off (www.theshinglehog.com).

**THE
HARDWOOD
HOG[®]**

"In only 3 hours we tore up 1,100 sq. ft. of laminate flooring glued to concrete. Didn't even break a sweat. This machine is amazing!"
