Backpack Blower Series 4282

Professional Use

The STIHL Magnum® professional backpack blower offers the standard STIHL proven fuel efficiency — up to 28% greater as compared to competitive models tested, and impressive power-to-weight ratio, and also features an improved low-emission engine for increased durability; a new nozzle with an extended wear area, and a newly designed nylon harness with high wear resistance.

Standard Features

- Powerful and fuel-efficient, low-emission engine with improved durability
- Throttle lock function integrated on control handle
- Three-position adjustable blower tube with increased wear area nozzle
- High quality, durable harness with dual adjustments and STIHL logo
- Simplified starting procedure
- Comfortable weight
- Single-handed operation
- Reduced vibration levels

Optional Features

- Hip belt (4282 710 9100)
- Curved nozzle (4282 708 6330)

IMPORTANT INFORMATION

Note: STIHL recommends use of fuel with no more than 10% Ethanol content. Using fuel with greater than 10% Ethanol content may cause damage to your equipment and may void your STIHL warranty. [Learn More...](#)

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
