Wedge-Less PCDyma-Serts™

Make Quick Work of Epoxy Coatings & Hard Glue. Four times stronger than carbide, with remarkable wear resistance.

Ideal for the removal of: Hard Tacky Surfaces, Urethane Epoxy, Multi-Part Epoxy, Water-Proofing Membrane, Pool Deck Coating, Thick Mastics, Old and New Epoxy Coatings.

- PCD's Stay Sharp - No need to change
- High Quality "Mining Grade" Polycrystalline Diamond
- Creates Grooved Surface
- Abrasive Resistant
- Fracture Resistant

Slide-On Accessory Holding Case Part# 19360

Wedge-Less Dyma-Serts

Dyma Serts are diamond segments welded to a backing plate to improve grinding speed and remove tough coatings.

Dyma-Serts grind 5 times faster than grinding stones and last longer - up to 30,000 square feet (2,800 sq. m.) of grinding action on standard 3,500 PSI concrete. Dyma-Serts can be used for wet or dry grinding.

Ideal for:

- Smoothing rough surfaces or trowel marks
- Grinding terrazo
- Repairing surface damage to concrete slabs
- Removing urethane or epoxy thincoats
- Grinding sharp aggregates such as flint and granite
- Removing surface imperfections from epoxy mortars
- Leveling high spots
- Removing thin mastics and thin-set

Wedge-Less Strip-Serts

Strip-Serts are carbide tipped blocks designed to clean floors without grinding into the concrete.

Strip-Serts have a replaceable, multi-sided tungsten carbide edge that can be rotated for maximum use.

Ideal for:

- Removing mastics, paints, resins, tar, fiberglass, ice and industrial buildups

Strip-Serts are designed to strip away coatings not to grind concrete. Grinding concrete with Strip Serts will dull the sharp edges quickly causing the grinding action to stop.

NEW Left Hand Slide-On Strip-Sert Part# 12424
NEW Right hand Slide-On Strip-Sert Part# 12420

Quick-Change DOUBLE Dyma-Dots - General Purpose Grind

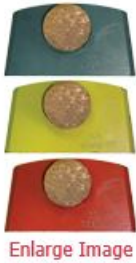

Ideal for:

- Removing General Purpose Epoxy, Mastics, Thinsets, Water-Proofing Coatings and more.
- Remove concrete and create a level surface without gouging.

For use on:

- NEW WEDGELESS Floor Grinders *Single* or *Dual-Disc* Models.
- 7" Turbo Grinder *Quick-Change Multi-Accessory Disc*
- 10" Turbo Grinder *Quick-Change Multi-Accessory Disc*

Medium Concrete - (Gray)	Soft Concrete - (Yellow)	Hard Concrete - (Red)
30-Grit - Part# QC2B-MC-0030	30-Grit - Part# QC2B-SC-0030	30-Grit - Part# QC2B-HC-0030
70-Grit - Part# QC2B-MC-0070	70-Grit - Part# QC2B-SC-0070	70-Grit - Part# QC2B-HC-0070
120-Grit - Part# QC2B-MC-0120	120-Grit - Part# QC2B-SC-0120	120-Grit - Part# QC2B-HC-0120

Quick-Change SINGLE Dyma-Dots - Aggressive Grind

Ideal for:

- Aggressively Grinding Concrete and Removing Thick Epoxies, Weather-Proofing Membrane and Other Coverings.
- Remove concrete and create a level surface without gouging.

For use on:

- NEW WEDGELESS Floor Grinders **Single** or **Dual-Disc** Models.
- 7" Turbo Grinder **Quick-Change Multi-Accessory Disc**
- 10" Turbo Grinder **Quick-Change Multi-Accessory Disc**

Medium Concrete - (Gray)	Soft Concrete - (Yellow)	Hard Concrete - (Red)

EDCO Arrow™ Quick-Change Accessory - General Purpose Grind

Ideal for:

- Hard glue removal
- Coatings removal
- Fast concrete grinding
- Creates smooth surfaces

LEFT-Hand EDCO Arrow
Part# QCAR-MC-0030

RIGHT-Hand EDCO Arrow
Part# QCAR-MC-0030-R

For use on:

For use on:

- NEW WEDGELESS Floor Grinders [Single](#) or [Dual-Disc](#) Models.
- 7" Turbo Grinder [Quick-Change Multi-Accessory Disc](#)
- 10" Turbo Grinder [Quick-Change Multi-Accessory Disc](#)

EDCO Dyma-Peaks™ Quick-Change Accessory - General Purpose Grind/Premium Diamond

Ideal for:

- General coating, abrasive coatings and concrete removal
- Creating clean and smooth concrete surfaces ideal for polishing

LEFT-Hand Dyma-Peak:

Part# QCPK-MC-0030-L

RIGHT-Hand Dyma-Peak

Part# QCPK-MC-0030-R

For use on:

- NEW WEDGELESS Floor Grinders [Single](#) or [Dual-Disc](#) Models.
- 7" Turbo Grinder [Quick-Change Multi-Accessory Disc](#)
- 10" Turbo Grinder [Quick-Change Multi-Accessory Disc](#)
