Parts & Service*

The **TRANSCUBE™ 10TCG** is a compact, transportable, double-walled fuel tank. Quickly and easily supply fuel where you need it, when you need it.

-  **Transportable.** Full load lifting eyes, forklift pockets and internal baffles designed to allow handling of the tank full of fuel.
-  **Stackable.** Easily stackable (2)-high full of fuel and (3)-high empty to reduce storage space requirements.
-  **Accessible.** Access manway for maintenance and inspection of inner tank. Removable inner tank for servicing and cleaning.
-  **Efficient.** ENVIROconnect Equipment Cabinet locks and secures equipment and fuel ports to run up to 3 pieces of diesel-powered equipment.
-  **Environmentally Safe.** Double-walled, 110% containment eliminates the need for spill pans, UL 142 approved.
