### AS170 Complete Set

ALL.FG.170

1x AS170 Brick and Mortar Saw  
1x Heavy Duty Tool Bag  
1x General Purpose blades

1x Plunge Blades  
1x Sharpening Disk  
1x Spare Belt  
1x Vacuum Adaptor

### General Purpose Blades

BLA.FG.1110

Used for general cutting of bricks, and mortar or general masonry cutting. Also used for cutting tree roots or wood through dirt and sand

Depth: 115mm (4 1/2")  
Width: 7.2mm (9/32")

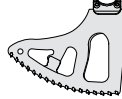

### XL General Purpose Blades

BLA.FG.1200

Cut up to 170mm deep.

Depth: 170mm (6 3/4")  
Width: 7.2 mm (9/32")

### Plunge Blades

BLA.FG.4110

Used for general cutting of bricks and mortar. Ideal for single brick removal and toothing of brickwork.

Depth: 120mm (4 3/4")  
Width: 7.2mm (9/32")

### Switchbox Blades

BLA.FG.2110

Ideally suited to cut small square holes for electrical switches.

Depth: 120mm (4 3/4")  
Width: 7.2mm (9/32")

### Tuckpointing Blades

BLA.FG.5110

Used for removing the mortar between the bricks in restoration work (known as tuckpointing).

Depth: 35mm (1 3/8")  
Width: 7.2mm (9/32")

### Headjoint Blades

BLA.FG.7000

Ideal for tuckpointing and mortar removal on vertical joints.

Depth: 75mm (3")  
Width: 7.2mm (9/32")

### Heritage Blades

BLA.FG.8000

Ideal for mortar removal on thin joints and heritage restoration.

Depth: 35mm (1 3/8")  
Width: 3mm (1/8")

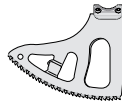

### XL Wood Blades

BLA.FG.3200

Ideal for cutting branches, timber, and tree roots in the ground. Excellent for pruning and in demolition work for fast removal of timber.

Depth: 170mm (6 3/4")  
Width: 7.2 mm (9/32")

## AS170

BRICK + MORTAR SAW

THINK OUTSIDE THE CIRCLE.

# Allsaw Technology

Arbortech's successful Allsaw technology just keeps getting better! Now with a completely new motor, the AS170 offers over 70% more power, improved reliability, faster cutting speed, and durability in the toughest work environments.

**Cut Square:**  
The AS170 cuts square openings with no over cutting. Surrounding brickwork can remain untouched, no bolstening or stitch drilling is required and job completion times can be reduced.

**Cuts Deep:**  
The AS170 is the only small handheld saw able to cut to a depth of 170mm.

**Cuts Safe:**  
The AS170 provides superior operator safety. The inherently safe cutting action prevents kickback and is easy to control.

**Plunge Cuts:**  
Use the AS170 to cut directly into flush walls without stitch drilling.

**Cuts Dry / Low Dust:**  
This unique cutting technology creates very little flydust protecting the operator and creating a cleaner work environment.

**HIGH VISIBILITY AND PRECISION CUTTING:**  
The forward facing blades allow clear visibility when cutting making the AS170 the ideal tool whenever accuracy and precision is required.

ITEM	SPECIFICATION
Weight, with cutting blades	4.3 kg
Dimensions without blades	450 mm L 75 mm W 240 mm H
Electrical rating, nominal	230 240 VAC, 50Hz, 1250W (Australia) 230 VAC, 50 Hz 1250W (Europe) 110 120 VAC, 50-60 Hz 13A (USA/Canada/UK Industrial)
Dust extractor vacuum hose interface	Suits vacuum hose with inner diameter of 1", 1 1/4", 1 1/2" or outer hose diameter 1 1/2"

**ALLSAW TECHNOLOGY TESTIMONIALS**

**Costa Brothers Masonry**  
*"The AS170 is a wonderful piece of equipment for restoration jobs, caulking, and practically anything. Saves a lot of time, a lot of money, and a lot of effort. It's a good tool"*

**Garlap Construction**  
*"The new high performance blades work twice as fast as the standard General Purpose blades. Our guys find them two, to three times faster than using a regular 4 or 6" grinder, with less dust factor"*

**NEW POWERFUL HEAVY DUTY MOTOR**  
1250 Watt with over 40% more power for improved cutting performance. Dust resistant heavy duty design ensures long motor life even in the toughest working environments.

**VIBRATION REDUCING HANDLE**  
Significant vibration reduction to increase user comfort.

**DUST BOOT WITH VACUUM ATTACHMENT**  
Efficient dust control for jobs in sensitive environments.

**RESHARPENABLE TUNGSTEN CARBIDE TEETH**  
Long lasting, designed specifically for cutting bricks and mortar.

**AUTO CUT OFF BRUSHES**  
Prevents motor damage.
