

THAWING BLANKETS

Powerblanket® Thawing Blankets tackle difficult problems in the harsh, cold-weather environments. Snow, ice, and frozen ground can delay construction project and create safety concerns. Powerblanket has you covered – literally!

Powerblanket Thawing Blankets

- Thaws frozen ground fast
- Quickly melts snow and ice
- Removes frost prior to concrete pour
- Prepares ground for cold-weather digging and trenching

powerblanket

WHY CHOOSE POWERBLANKET?

- Save big on downtime and labor costs
- Eliminate the expense of alternative thawing services
- Quickly and easily installed and removed

“You blankets are absolutely excellent. Thanks to Powerblanket, we were able to quickly that the ground to complete our job. In fact, we estimate a savings in 10 hours per site equaling a savings of \$5,000 already. Calculating this to our thousands of sites, the savings is huge! We are excited about the time and money Powerblanket has saved us and look forward to future savings”
